

COVID-19 (SARS-CoV-2) Related CPT Codes

The American Medical Association (AMA) has released new CPT codes for the current SARS-CoV-2 (COVID-19) vaccines and codes for immunization administration. Below is a summary of the COVID-19 related codes that have been approved for the CPT code set. Visit the AMA's COVID-19 CPT vaccine page for more information on COVID-19 vaccine development and CPT coding resources.
