

Know More, Get Better

with help from Relias Pro on the Go

Critical Information. When and Where You Need It Most.

Could your care delivery benefit if your staff had access to point of care refresher courses on procedures they do infrequently? And what if those courses were less than five minutes and available on any mobile device, anytime they need it?

Relias Pro on the Go provides access to brief, targeted training to healthcare professionals exactly when and where they need it. This allows them to properly perform procedures using relevant, quickly accessible information within the flow of their busy days.

Accessible Training. In Five Minutes or Less.

Convenient access to targeted information, delivered in manageable, five-minute-or-less segments, leads to better outcomes and higher levels of staff productivity.
